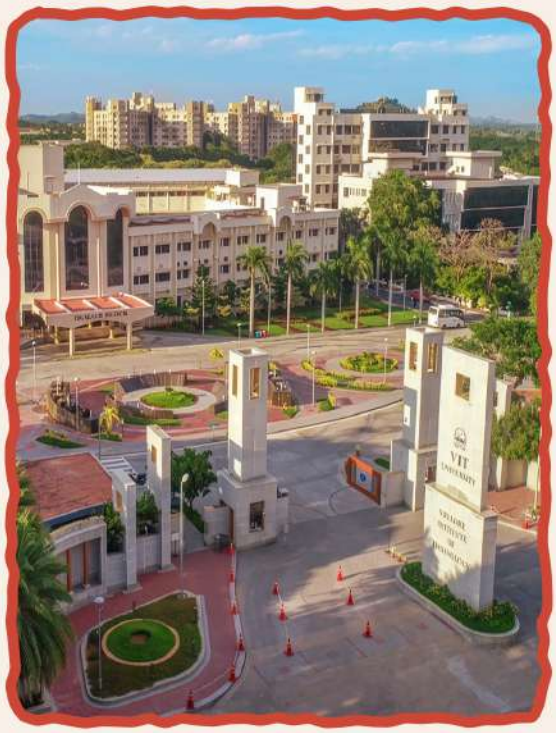
# About VIT



Vellore Institute of Technology (VIT), located in Vellore, Tamil Nadu, is a leading private university in India, known for its academic excellence and pioneering research. Accredited with an 'A++' grade by the National Assessment and Accreditation Council (NAAC), VIT has ranked among the Top 20 Universities in the country consecutively since 2016 National Institutional Ranking Framework (NIRF). VIT ranks Rank 3-4 in India according to the Shanghai Ranking 2026.

The university is renowned for its strong research contributions, exceptional faculty, and industry collaborations. 99 Professors are in the top 2% scientists, as reported by Stanford University and Elsevier, 2026. Notably, VIT ranks 86th globally in Computer Science & Information Systems and 6th in India in the QS World University Rankings.

# About Riviera

Riviera - The annual international sports and cultural fest of VIT, with all its beauty and prominence, is the largest of it's kind in South India, boasting of the flagship event - Proshows - attracting the most notable entertainers in the Indian entertainment scene. Since its inception in 2002, Riviera has grown not only in terms of student participation but also in quality and quantity of events, media coverage and unsurmountable heights that the recognition has reached nationally and internationally.

This fest not only aims to nurture leadership qualities among students, but also to bring oneness among the student communities. This 4-day saga witnesses over 40,000 students from 700 universities and colleges from 45 countries in Asia, Europe and Africa. From chess to cricket, from cultural shows to music concerts, from literary events to gaming competitions, from marathon to cultural parade, Riviera has it all!

# About Infusion

Infusion, the international cultural showcase at VIT, sets the stage for a global celebration where talents from around the world take center spotlight. People from over 45 countries come together for a vibrant celebration of world-wide culture. From energetic dance performances to soulful renditions of traditional songs, Infusion is a dynamic event that brings together students to share their unique cultural flavors. It's a vibrant tapestry of performances, connecting people through the universal language of music and dance.

# About Desh Mein Videsh

Desh Mein Videsh, the heart of sustainable awareness at Riviera, is more than an exhibition; it's a conversation about shaping a greener future. Here, students engage in discussions on sustainable development goals, sharing ideas and insights from their countries' unique cultural backgrounds. The event transforms into a cultural exhibition, where participants showcase traditional artifacts, cuisines, snacks, and souvenirs from their regions. It's a platform where sustainability meets diversity, fostering connections and inspiring a collective commitment to a better, more sustainable world. The perfect opportunity for cultural exchange and global networking opportunities awaits!
